- 15points (BCM/ICT)

SKILLS

- Creative Direction & Leadership
- Graphic Design (Branding, Social Media, Print)
- Videography & Cinematography
- Video Editing & Post-Production
- Content Strategy & Visual Storytelling
- Media Production for Events & Digital Platforms

PROFILE

Creative professional with a strong multidisciplinary background in music performance, graphic design, videography, and video editing, backed by hands-on leadership experience in high-impact creative environments. Proven ability to translate vision into compelling visuals and sound, manage creative teams, and deliver consistent results even under pressure.

In short: I don't just create — I build experiences that last.

WORK EXPERIENCE

- **Master plus Class Program (MPC)** 2024 - PRESENT
Creative and Media Lead
 - Led creative execution for media production, graphics, and video content across programs and events.
 - Shot and edited professional video content for promotions, documentation, and online platforms.
 - Played a key role in shaping the public image and digital presence of the organization.
 - Worked closely with leadership to translate vision into clear, compelling creative outputs.
- **Independent Projects** 2024 - PRESENT
Creative Freelancer (Graphics, Video & Media)
 - Delivered custom graphics, video edits, and visual branding for individuals, ministries, and organizations.
 - Managed projects end-to-end — concept, execution, revisions, and final delivery.
 - Maintained professional client communication and timely delivery under tight deadlines.
